I have a male 13 week old Japanese chin / Chihuahua puppy who needs a new home. He has his puppy shots and has a clean bill of health. He is mostly white with black mask and black spots. He is almost completely house trained. He will not be over 10 pounds. His parents were both small dogs as well.I have an older dog who does not do well with a new puppy.? He is great with children, and other animals. He is so adorable and cute it breaks my heart to let him go. He is very loving and cuddling with you. I am asking a reasonable rehoming fee. Please contact me if interested.
