Licensed in home daycare in Olathe, Kansas has two immediate openings ranging from newborn up through grade school. My name is Charlotte and I have been in the childcare business for over 25 years. I have excellent references available upon request, I have seen lots of children grow up here in my daycare. Each and every child is treated as family, I establish a great relationship with every parent as well. I currently have TWO IMMEDIATE OPENINGS which I am looking to fill quickly so I have reduced my rates. If you don't plan on enrolling in the month of August or September please be clear when we setup our interview. There is a \$50 dollar non refundable deposit once you agree to enroll, please do not schedule with me if you don't plan on showing up.

Here at the daycare we practice preschool activities on a daily basis, along with play time, snacks and nap time. We read books daily, work on our colors, numbers, shapes, potty training and more. My neighborhood is safe and quiet, located in between both main highways off of 151st and Blackbob Rd right near the brand new Hyvee grocery store. I also offer childcare for evenings and weekends if needed upon request, meals are included in my weekly rate!!

Call or text me today to schedule your interview, I'm looking forward to speaking with you and meeting your little ones!!
