I have been struggling with my weight for a few years now. I used to be quite the hottie, and I want that body back SOOOO BADLY! But, as I'm sure some of you can relate to, that incentive does not seem to be enough. So I actually found this website <https://www.healthywage.com/dashboard/add-challenge/> where you can individually bet, as a team bet, or bet on yourself individually and as a team, regarding the amount of weight you are going to lose in a certain time frame.

I am very interested in participating in the team competition. The cost is \$25.00/month for each team member for 3 months, totaling \$75.00. The teams must consist of 5 teammates. We would have the opportunity to win up to \$10,000 divided among the 5 of us. If you check out the link in the paragraph above they give you all the details. I don't remember the exact statistic, but reputable institutes, such as the Mayo Clinic have done extensive research on this, and apparently one is much more likely to reach their goal if they have money on the line, and a possible large reward at the end.

The next competition is Dates: Aug 28 - Nov 20. It would also be awesome for at least one team member to live in or near Blue Springs. I would like to personally have support near by. Please, only extremely motivated people respond.

Thanks for reading,
