Fisher Price Power Wheels Barbie Jeep In excellent condition. Rarely used and stored in garage over the winter months.

Why buy a new one and spend HOURS building it when this one is in excellent, like new condition. Even the stickers are still on and not faded.

Please be advised that this sale does not include the cable to charge the battery but the battery will be fully charged for you to make sure it works. Radio works and battery is in PERFECT working condition and holds a full charge. Battery will be fully charged for when you come to see it/purchase it.

This jeep has two speeds 2.5mph & 5pmh but you can add a safety feature which locks it at 2.5pmh for the little ones. Very easy to do. It's currently unlocked, but I can show you how to lock it up again.
