Full length mink coat. Size 6. Coat length 44". Sleeve 23". Made from long vertical strips of natural color mink fur (not small patches). Dark brown cloth lining. 2 outside pockets. The fur is in pristine shiny condition. Only worn a few times and has been unused in storage for years. At couple spots around the collar, the fur has been pressed down from the dust bag/hanger. I was told that these bent fur can be straightened out from steam.
