Hello, please allow for me to introduce myself by the way of this message here on craigslist. I my name is Mr. Blue Jones, and I produce a small publication in California. I am now here in the Detroit area, and, looking to bring my publication here. I am in need of a designer, someone that has skills in putting together a publication from A-Z, including designing the advertisement inside of the paper, the paper is about 32 pages long and comes our every other week. The front and the back and the middle pages are in color.

Most of the contents comes from off the web and will be email to you.

The pay rate is \$150.00 per issue, must be able to work under pressure and in a timely matter. I am looking to release my first issue on Aug of 2015, If you have interest in this project, I am requesting that you do a mock up of the front page so that I can see your skills.

Attached is a front page of one mock up that I really like and I am looking for something similar. I tried to attached the front page but it would not attach too large will email up on request as a.
