

Lets start a punk or alternative rock band

Location **California** https://www.genclassifieds.com/x-625239-z

I'm looking to start a punk or and or alternative band. Seeking a guitarist(s) singer and a bass player. Must be LGBT friendly since I'm a huge lesbian haha

I am female drummer. I've been in three punk bands that have been based in NYC and San Francisco over the years. If you're interested, send me an email and any links to your music and I will do the same.

I am available to practice on the weekends and minimum of one night during the week after 6pm

No drugs. No drama.

Send links to your music!

Influences include Bad Religion, Rancid, Death From Above 1979, NOFX, Bikini Kill, The Misfits, Sleater-Kinney, and Betty
