I have 13 years experience working with children in daycares, summer programs, tutoring and most recently as a Court Mandated Reporter for foster children. I am certified in CPR/First Aid and Preventative Health & Safety. My daycare is associated with the Contra Costa Child Care Council and accepts families who are part of the child care financial assistance programs. I also work with the Food Program guaranteeing healthy meals and snacks.

Currently I have openings available and offer discounts for siblings and referrals. My hours are Monday-Friday from 7am-5:30pm. I try and work with my daycare parents as much as possible and encourage open communication to better our relationships. Feel free to call me if you have any questions and would like to meet. I am available during the week and weekends. I look forward to hearing from you!

1-2 DAYS/WK \$50 EACH DAY
