In need of a wedding officiant? Basic Marriage License Signing? Same Sex Ceremony? Contact me today! I am over the moon in regards to the Supreme Court's monumental ruling!!!
For more about my services, please see: www.boattownweddings.com

I (Tricia) am an ordained minister, that can perform wedding ceremonies to your taste, and location, and I offer the best price in town! I will tailor a service to your needs, and can provide references as well. I have had some very pleased couples over the years, and many guests have made comments to me such as, 'that was the most beautiful service I have ever been to'.

If this is a 2nd marriage or more, my specialization is in officiating weddings that celebrate a love that is unique to the present and shaped by the past. I will custom design a ceremony that is a reflection of who you are as a couple.

I am a Harrison Twp., Michigan resident, but will travel outside of the Detroit area to the Toledo area, as I am also licensed to officiate weddings in Ohio. I have been ordained since July of 2009 thru ULC (the Universal Life Church), and absolutely love performing weddings. It gives me great joy to pronounce couples 'husband and wife' or 'partners for life'.

Included:
Ceremony

Rehearsal (if there is one)

I will provide the marriage license signings for you. I will have my own key get signed before the ceremony (for father all are typically signed before) and I will have everything written out and done for the ceremony. I will also have, important service: no one else either! If it's a couple, I will do the signing over the phone before the ceremony, and be there! I can do last minute marriage license signings for a much reduced rate. I can usually find 2 adult witnesses as well, if needed.

I will explain to you the process of obtaining the marriage license, and what to do after the ceremony. I have my own microphone system, and if your venue/DJ does not provide it, for an additional \$0.00 charge mine is available for usage.

I can also do vow renewals.
