We are a 5 piece cover band looking for musicians to perform in a modular capacity. We currently have gigs on the books requiring a variety of instruments.

We play weddings, festivals and corporate gigs and based on the event, our clients request anything from acoustic duos to 10 piece performance bands with horns and added percussion.

We play all cover music and range from 1960's to Current - Pop/Rock, R&B, Jazz, Soul and other genres.

We are currently in need of horns (sax, trumpet & trombone) and a fill-in keyboard player for some upcoming gigs. If you have availability and would like to make extra cash without extra commitment (outside of the gig), this might be the right fit for you.

Audio/Video of you performing is not a must, but is highly encouraged and will receive a more rapid response as our situation is somewhat time sensitive.

We appreciate your time and look forward to hearing from.
