Update: Car was found. Pup is still missing. Any and all help is greatly appreciated for his safe and return home.

I am the victim of a 7 Eleven Robbery that took place on 4918 Harford Rd. on the NorthEast corridor of Baltimore City on July 25th 5:30am. I was pistol whipped but I am thankful to be alive. We are looking for my 2 month puppy Cane Corso. He is all grey puppy with blue eyes. He was in the car that was stolen from the store. PLEASE, any help in locating and or returning him will be happily rewarded. Thank.
