

Two kittens free to a good home (New Castle)

I found a couple of kittens by my office, and would love to keep them, but I already have two dogs, one of which is special needs. Working full-time, 4 pets is just too much. So, I will need to rehome them to a good loving home. I'm pretty sure one is female and one is male, and they are probably 4-5 months old. I'd love to find them a home together if possible. They will come with a food dish, litter box, any food and litter I have left, and some toys. They are ok with other cats and dogs after a "warming up period".

Pictures available upon.
