I am an older Semi-Professional Photographer. You are a model, a mother, a grand mother who would like to do modeling an be photographed.

Let's come together to make some photographic magic, dream up some lovely concepts and work on them to see if we can get some financial gain,

Of course if you are a model and just want to add to our portfolios, we can arrange that.

I'd like to find a someone who is like me just on the onset of a possible new career. Or someone who just likes to spend time in front of the camera.

Any age or sex, although prefer a
