Because the apartment is evolving she is never the same twice, visitors are always leaving good vibes in her walls and sometimes a jar of peanut butter in the pantry. It is our hope that the apartment retains some of the worldliness that her visitors bring with them, sometimes these are special notes left on her chalk board or suggestions to future quests as to the best delivery places. We are completely pet friendly within moderation- please no alpacas;). So come on over and find a new nuance or piece of music.
