We need morning help for our 3 children in Dr Phillips, Orlando. Hours are 7 a.m. - 9am+ depending upon responsibilities. Ready to begin 8/24 or sooner!

The primary responsibilities will be to watch 2 4th grade children and drive them to school each morning (less than 1 mile). May also be asked to transport our 6th grade child to Middle School when necessary.

Animal lovers please apply (our family includes 2 dogs)! Duties include pickups and drop-offs. Some help preparing breakfast would be ideal. It is important to us that you have your own car. Giving a hand with the laundry would be asked. The caregiver could be offered extra hours to do light.
