Looking for a full time or part time job? Extra Cash?

What ever the case is, I would like to show you how to make an extra 300-900 each week with just sunglasses.

I'm Robert, I work as a master agent for Luxottica glasses under Ray ban.

I've put together a small starter package for stores and even a smaller package for entrepreneurs.

These glasses are very easy to sell and could easily replace your full time job.

SO WHERE CAN I SELL THESE ??

Great question, Every where and any where. List of top places tho:

- Ebay
- Amazon
- etsy
- Craigslist
- Offerup (app)

-Wallanop (app)

Entrepreneurs can make their own business and make the sky the limit. How? Start with a few thousand dollars and make the sky the limit. How? Start with a few thousand dollars and make the sky the limit.

Do you have a shop/store ? Pawn shop, Jewelry store, surf shop, etc.etc. The sky is really the limit ! we can have a section of your store with a branded stand and start selling with in days.

*Oakley is more your style? Great my business partner / best friend is the master agent for Oakley
