still looking just missed several. one had 3 cats the owner wanted me to adopt all 3 as they were brother sister .I didn't have the heart to separate them I only want to adopt<< 1>> to adopt give a kitten a good life. The pictures are of my PERSHA.who died she was a registered service animal I trained .I want a cat that looks like her my preference.. want a grey black and or tan black female or male tabby's 2-6 months old maybe older. I want to meet the cat or cats to make sure we are a good fit most important.. I am also a pet friendly landlord ..with references. .... cats  
 with shots if possible not mandatory . must be healthy ...will be indoor cat or cats and live a good life .and be loved and spoiled..this cat or cats will live in a house not a condo. Please someone give a cat a chance at a long happy life...don't let it end up in a kill shelter...
