I'm looking for a younger 20-something guy to clean my house. Wanting to help out a younger college guy by putting him to work. Need someone who takes pride in doing a thorough and neat job. Work includes dusting (everywhere), vaccumming, bathroom (sink, shower, toilets, floors), mopping, windows, ect.

I'm a single male, 48yo, and live alone in my house near 96 & Western. Relatively newly remodeled house that is in great shape and wanting to keep it clean. Just don't have enough time to keep it the way I want it!

Please let me know of your availability and hourly rate. Would love to hire someone on a semi-regular.
