I'm a concert pianist and I'm looking for an excellent sight reader to play the orchestra parts of Rachmaninoff's 3rd piano concerto on second piano.

I performed the piece in grad school and have recently started playing the piece again and would like to do some small performances with it before presenting to an orchestra.

I have upcoming concerts that I would like to use the piece for to gain confidence. These will be paid gigs that you will be paid for.

Please respond if you feel as if you can already play the orchestra parts in tempo or can learn it fast. Rehearsal time and venue are
