Looking for a Producer slash actress to bring life to the lead role in a dramatic comedy feature film. In the role of a dirty blonde white Transgendered female priest who thinks she's black (not a slapstick parody the comedy is in the dialogue also Actress does not have to be Trans in real life).

lots of great monologues and plot twist, Multicultural cast of Characters similar to Sense8. Currently attached are a black Canadian actor and UK actor to the two supporting roles in the love triangle of the story.

Aiming for online distribution.

Here is a look at the scene just BEFORE she reveals her secret to her fiancÃ©
