We are a branding company that works with different companies throughout the United States. We are back and running another shoot. This is NOT porn and you do not have to get naked.

**** Please note, this is a booty short / cheeky shoot so you must provide a few photos relating to that to be considered ****

This calendar will be published in relation to a beer client of ours.

This is a fully paid job which could lead to more work.
 This is open to all women regardless of shape, size or color.
 The shoots are in a real studio and not some creepy guys apartment.
 Applicants should be positive and smiley.

If this interests you, please respond with photos that are relative to the job. You can send a portfolio if you have one. All applicants are picked by the client. You can send as many pictures as you like.

Please include a phone number and why you would like to do this. All applicants will be called for a phone interview.

We would like to be closed by 8/21/2015 with our selection.
