Location **Minnesota**
<https://www.genclassifieds.com/x-625892-z>

I take a journalistic approach to wedding photography. My passion is capturing those beautiful candid moments that tell the love story about a couple in love. I also take all posed photographs. I have 14 years of experience in the wedding photography business. I have also owned a bridal shop, so I have a creative eye for weddings. I am very easy to work with and have a passion for what I do. I love wedding photography and feel blessed that I am able to do what I LOVE!

I am charging \$650 for 5 hrs of coverage and you'll receive a CD/DVD with all your photos on it. You will retain all the rights to the photos, so you can print them as you'd like. Additional hours available as well.

Call me at or e-mail to see if I still have your wedding date open!

STILL have some dates AVAILABLE for 2015!!

Check out my website! and blog!
