We make sure our clients are armed with the finest representation available to ensure the best outcome in resolving their tax liabilities. All of our tax professionals are trained in M&M's Tax Resolution System, and are required to complete continuing professional education that meets or exceeds regulatory standards. In 2005, we realized that few tax resolution firms placed an emphasis on honest, personal service. M&M was created as an alternative to those companies whose sole purpose is to make more and more money, at the expense of their clients. We're also proud to provide rewarding jobs to our staff and a winning tax resolution system to our clients. Our procedures are transparent and M&M's Tax Resolution System is proven. We proudly boast an exceptional rating with the Better Business Bureau, and have been awarded the Complaint Free Award six times.
