Good quality & easy to use tire chains that keep you from getting stuck are worth every penny.  
 Once you install them once you'll see how easy they are.  
 I paid \$100 for them when I went snowboarding and stuck while I was driving someone else's car. I only used them just that once to get off the mtn. With these snowy/icy Omaha winters you won't get stuck with these handy chains in your truck!

THEY CURRENTLY SELL FOR \$50 ON AMAZON WITH 4(of 5) STAR RATING!

I used them on a car with 15" rims and 195/60-15 tires  
 They're also compatible with 185/65-15 and 205/55-16 and more.
