I have a like new UPPAbaby Vista stroller and a Mesa car seat for sale. The stroller includes: bassinet, front and rear facing toddler seat, parent organizer, travel bag, rain shield, mosquito net, bassinet storage bag, and sunshade. The stroller is Taylor indigo (navy) in color. The Mesa car seat includes two bases and is Jake black. The car seat fits directly into the stroller base. All in excellent condition! Originally paid 2500.00 plus for everything. I am asking \$999.00. Please let me know if you have any questions. Thanks for looking!

My pictures are online images that I borrowed. My car seat is not teal like in the last image. It is Jake black.
