I am selling a Restoration Hardware Baby & Child demi sloped arm swivel glider with a white brushed cotton slipcover and matching demi sloped ottoman with a white brushed cotton slipcover. They are in my upstairs nursery. They are in excellent new condition. I never used either of them. I used my downstairs chair... I am asking 1500.00 for the glider and ottoman. I paid over \$2300.00 for the pair. Please let me know if you have any questions. Thanks for.
