This rug is beautifully detailed with a medallion style and has measurements of about 160" x 115" (about 13 x 9'5 feet). It is very thick and obviously handmade. Primary colors are red, purple, and turquoise. I do not have details about the age, but it is not new and is in very good used condition. The tags that I have with it say that it was made in Iran and is 50% knowted wool and 50% cotton (however, I can't guarantee this). Note the thickness, about 1/2 inch. Weighs about 95 lbs. This rug / carpet is in very good shape, but does have some areas of slight fading; I was told that this is from the different types of dyes that are used. Serious inquiries only. Cash only. Sold As Is, with no warranties or.
