

## Invisible Underground Dog Fence Repair and Installation Service (Cincinnati Tri

Location **Kentucky**  
<https://www.genclassifieds.com/x-625987-z>

Over 19 years experience installing and repairing underground dog fencing including those bought online, PetSmart, Home Depot etc.

Wire Break Locating and Repair \$85 - all work guaranteed, with professional waterproof splices

Installation of any system brand \$295 with professional grade components. Up to 1/2 acre.

I provide service for: Wire break locating and repair New Installations Moving and need your fence installed at the new home Need alteration of your existing fence (flower beds, keep dog in front or back yard, move wire) Moved into a home that has underground fence wire and need to know location/condition Fence just not working Want to install yourself and need the machine to install the wire

I am insured and use professional installation/repair equipment that results in no yard damage.

Please call or email for more information.
