Location Minnesota https://www.genclassifieds.com/x-626033-z

Hello and thank you for reading!

I'm a local rapper, poet, writer and drummer who has been a musician for years along with possessing several degrees, one in music. I'm interested in taking my music to the next level with the end goal being signed to a label.

If you are a label or music manager of any kind interested in working with me to build and accomplish my dreams, I'd love to hear from you!

Please respond with information about yourself: Artists and labels you've worked with along with any other pertinent information.

Below is a link to a few older tracks I've created and am currently in the process of creating new music! myspace.com/ksoulmusiconline

Thank you and look forward to hearing from!
