Daisy is an adorable, fun little puppy that's 4 months old and 15 pounds. She loves kids and other dogs. She's currently in foster care in Lakeville for a 501c3 rescue. Daisy is doing great on housetraining if let out often. She loves to snuggle and be held, but is also playful and adventurous too. She likes splashing around down by the pond and going for walks. She'll need work on how to walk on a leash. Daisy will need someone home much of the time for continued training and a fenced yard for play time. Please email for more information on how to adopt this sweet.
