Hi! We are looking for a caretaker for our 86 year old mother. She is warm and delightful, and has a very positive outlook on life. ...And she is very frail and needs assistance.

We are looking for a gentle, kind, warm, loving, capable, trustworthy female to live with her. You would have a private furnished bedroom in a lovely 3/2 Waimea home, plus \$2000 a month as a stipend.

Nursing degree or experience would be nice. Includes giving medications, running errands, grocery shopping, cooking, laundry and light clean-up are needed. Currently a house keeper comes, so no heavy cleaning.

This is for a single female.

Please email a bit about yourself and your background, so we can get a sense of if this would be a good fit.

Thank you for your interest and we hope this is a wonderful fit for both of you.
