Lineman housing for TWO linemen during the fall semester. I have housed lineman for the past four years. No smoking, drinking or partying. Great space with two private rooms, a shared bathroom and large family room. Must share our kitchen upstairs. I have references from past linemen if requested. If interested text or message and I can send you a link to the AirBNB listing that shows photos of all rooms. This is a small farm with dogs, cats, and horses and is very private and quiet. \$2,000 paid up front per person for the fall semester. Wifi in the home, TV in the family room.
