In your frenzied, hurry up, not enough time, gotta go world,  
**JUST**

Stop to look at a butterfly,  
Stop to watch the sun slowly set,  
Stop to feel the breeze kissing your face in the morning,  
Stop to watch raindrops trail down on a window,  
Stop & breathe,  
Stop to pick up a book which has a cover with the texture  
of words or images imprinted on it, a binding, the pages,  
the weight of the paper, and the feel of turning those pages,  
**AND JUST STOP** to read those pages.
