## Sony TVs for Sale (40, USD)

Location **Maryland** https://www.genclassifieds.com/x-626406-z

I have an older 36in Sony Trinitron TV, It is a big tube TV, and pretty heavy. Works great, but the tuner doesn't. The tuner should not be a deciding factor since even if it did work, most analog channels are gone digitial, so you would need a converter box or adapter box. I have remote. No exterior damage just dusty. Trying to get rid of it ASAP. (\$40) Still Available!!!! \*\*\*\*\*\*

I also have a 57inch Sony Projection TV (seperate ad on craigslist) Please feel free to inquire (\$200 obo) Still available!!

Pick up only, cash only.

PLEASE NOTE due to high volume of scammers I am putting this on my ad.

DO NOT ASK IF I STILL HAVE ITEM, if this post is up, I still have them. I will update as pieces are sold and remove once all items are gone..

In addition......Emails received with no text other than the first sentence of my post will be ignored and deleted!!!!
