

**Sony KP (575101080 USD)**

Location **Maryland**  
<https://www.genclassifieds.com/x-626410-z>

I have the remote (never used) and the manual. It looks brand new, no scratches or broken pieces It is 125lbs but has wheels and doesn't feel like its 125lbs at all. Asking \$200.00. Amazon.com still sells this item used for about \$1,000. I am selling because I bought a newer Sony.

Emails received with no text other than the first sentence of my post will be ignored and deleted!!!!

Do not ask if item is still available, if you are reading this then it is. I will remove once item is sold.

Hi-Definition reaches new heights with the 16: 9 Hi-Scan 1080i Display featured in Sony's KP-57WS510 57" 16: 9 Hi-Scan Projection Television. See the difference Sony features make as you witness precise focus and sharpness as a result of Sony's HD Microfocus CRT and Lens. In addition, Digital Reality Creation Circuitry produces amazing picture resolution for your viewing pleasure. Adjust size and placement of side-by-side P&P with MID X Circuitry to watch two programs at once. More features include Manual and Flash Focus Convergence for precise and accurate adjustment, DVI-HDTV Input which secures access to High Definition content, and TruSurround SRS Audio (20W x 2) for explosive sound. Watch the excitement unfold in vivid detail with the KP-57WS510.

## Sony KP-57WS510 specifications
