"I have rented for many years in Chicago and there is no property that compares to this one. The home itself is so spacious with high ceilings and tall windows, great main level floor plan, exquisite new kitchen/den/wrap around deck, etc..but perhaps the most unusual space is the outdoor deck, front porch, large lawn in back and wonderful flowers, shrubs and blooming trees." -Josh A.

"We loved living in this home. I am in love with the beautiful high ceilings and amazing main level rooms, but my husband loves the outside space and the ability to walk to Palmer Square and dozens of the best restaurants and Farmer's Market in the city in minutes." - Holly K.

" There is nothing like sitting on the back deck on a beautiful day." - Alex B.
