Two minutes off Route 93. 58 yo body builder offering FULL body, complete firm Swedish massage. Very good with my hands. I offer much more than just a good rub but not so deep that it's painful during the process. My clients love it. I schedule one hour or one and a half hour massages at your place or mine. I will travel (with portable table) within 30 miles of Manchester. Very polite, nice guy, easy going and easy to talk with. Satisfaction guaranteed. I provide this service at my upscale, very neat, very clean and safe apartment on a massage table. You won't be disappointed. I have a lot of repeat business due to the quality of my process. Providing for men and women. Schedule is 9am-7pm weekdays, Saturday 10am-5pm. \$10 off on Fridays. Please try to schedule ahead for all appointments. Thank
