

Coraline, gentle Chinese Crested mix (Raleigh)

Location **North Carolina**
<https://www.genclassifieds.com/x-626636-z>

Coraline is a Chinese Crested mix. She is very playful and loves to run in the yard, fetch, and wrestle with dogs her tiny size. She knows two commands: "sit," and "lets go," which is her command to come. She is excellent with men, women, children, dogs and cats. She does NOT like to be alone - she needs people or pets to keep her from crying. Coraline is crate-trained and pad-trained. Her tiny size (about 4 pounds), her delicately thin legs and her quiet demeanor make her injury risk very high. Coraline's ideal home must provide companionship for her, whether it be a pet or a person, and a slow pace to prevent her from being stepped on or shut in a door. Coraline is less than a year old, is spayed, vaccinated and microchipped. She is recovering a severe case of mange, and will need consistent monthly medication to keep the mange from reoccurring.

Adoption fee of \$135 includes her spay, microchip, deworming, vaccines, heartworm testing, and flea/tick/heartworm prevention
