## STEP 2 CHOO CHOO TRAIN (N RALEIGH)

**North Carolina** Location https://www.genclassifieds.com/x-626639-z

I am selling my train that was previously used for my in home daycare. It is like new and well cared for. The picture is from the website, but mine also has a red seat, blue seat, and orange seat. I have two more orange seats that can be hooked to the rear orange car for a total of five seats.
