

Cockatiels for trade (Wake Forest)

Location **North Carolina**
<https://www.genclassifieds.com/x-626643-z>

I would like to trade my 2 cockatiels for smaller birds such as love birds, finches, canaries, or parrotlets. I prefer breeding pairs. My cockatiels are not a breeding pair. They tolerate each other. They are timid but do not attack or bite if you touch their cage or put your hand inside it. They both whistle several tunes. Not 100% sure of their.
