Logo Needed for Project

Location **Maryland**
https://www.genclassifieds.com/x-626679-z

   I am posting this on behalf of a friend. Local artist/writer needs a logo created for a top secret project. I don't have the time to do it myself. Anyone with experience in Adobe Creative Suite (especially Photoshop and Illustrator) feel free to inquire. Simply reply with your contact information and it will be forwarded. Thank you in advance for checking out this.
