

# Need Hair Cornrowed Straight Back. Easy 20

Hello,

I have a last minute gig tomorrow that requires an install of extensions. In order to do that, I need to have my natural hair cornrowed straight back. Very simple job for an experienced cornrow person.

I am able to pay \$20 on Sunday morning, from the proceeds of my gig. This posting and a confirmation text from my cell phone will be the guarantors of the \$20 payment. I am a Mom, wife and Christian who can be trusted to pay in full.

I live in the Cedonia/Hamilton area of East Baltimore. We can meet at my place or yours (I am allergic to dogs and cats) early tomorrow morning, which is Saturday, August 8th.

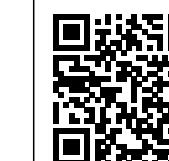

I am also available tonight, Friday, August 7th, if you are able to come to this area. Very secure home and neighborhood (security system, husband, son, sheriff next door).

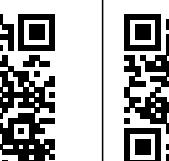

PLEASE TEXT ME AS THE FASTEST WAY OF COMMUNICATING!!!

Thanks for looking. Hope to speak with you soon.

Joy
