

# PET rats in need of home (Payette)

Location **Idaho**  
<https://www.genclassifieds.com/x-626713-z>

I have a bunch of young rats in need of home. There is a rehoming fee to ensure that they go to a good home. I do NOT want them going as feeders. They are friendly and I Have both boys and girls. I will send pictures upon request. They are sweet and are handled daily. Any other question feel free to ask. The white one is a female. And there are black hooded as well as grey hooded ones. The grey ones are.
