2014 size M/L Giant Defy composite 3 full carbon frame with Tiagra components. This bike has very low miles and is in excellent condition!! Purchased approximately one year ago. I just put brand new Gatorskin tires on it (worth \$140). Bike is being sold WITHOUT any of the accessories or pedals that you see in the pictures. This is a great bike that has been well cared for, including multiple tuneups. Serious buyers only!
