We have a boston whaler jet boat fishing boat. This is a Boston Whaler rage jetboat center console boat style with a bench seat rated for 5 people. The boat runs a 650cc yamaha waverunner motor that has a new stator, prop and wear ring housing. Comes with life vest, dual fuel tanks, newer battery, really nice trailer and it has a top as well. Boston whaler fishing boat are packed with foam almost unsinkable and this jet drive is the most desired jet boat set up these came with using a wave runner drive train \$4800. or b.o. please no low ball offers. I WILL HAVE PICTURES TOMORROW. This would make an idea jetboat fishing boat for tight spots and shallow water very easy to load on the ez load trailer dont miss out these boats are hard to come by I will water test for a serious.
