You must: Be able to help style scenes, including helping to set up lighting and creating 1 or 2 dummy screens on a computer. You must also be available all day Wednesday Aug 12 and Thursday August 13 as needed. All filming will be done on these days. You must then edit the various scenes into a finished product, providing a rough draft of edited video by end of business day Monday August 17th. And a final draft of edited video by end of business day Friday August 21. If you are late, or fail to do these things well and on time you will not be paid in full.

We provide: an outline of the video content and style basics, supplies and actors needed for scenes, help styling scenes. We can also provide a Nikon D7000 camera, tripod, and at least 1 remote flash that coordinates with this camera. We also provide feedback on rough draft success and prompt payment for services rendered.

We are an organization that works with kids, art and fundraising for endangered animals.

Pay is \$200 dollars plus ongoing credit on our website for producing the video. As long as its up on our site, you will be given visible credit somewhere on site for producing the video. We will own the finished product and all rights to it in full, but you may use it as a sample of your work for your resume. We intend to have a huge audience! Get in with us while you can.
