Hi I'm a filmmaker I'm planning to shoot a fashion film for fashion festivals I'm looking to cast serious, confident, models. for this project. That is starting Monday. The film is about Rome and its warriors it will be shot under a green screen and some matte painting to give the appearance of Rome the models will be dressed in roman clothing and jewelry , the models I'm looking for to play is the queen and the slave girls.

Female models average body, with some experience- any ethnicity can submit with a head shot and brief biography.

Serious model only that are coachable, and present as fashion look models must have experience wearing see through clothing or even nudity let me know which.

Please send your contact info in your email and a phone number With your Current portfolio and or comp cards or we site of your work. If you have done nudity or wore see through clothing please send them to.
