

375 furnished room for rent (Overland)

Location **Missouri**
<https://www.genclassifieds.com/x-626832-z>

Room has a mattress dresser and book case. Perfect for someone that doesn't have much or going to school. Utilities are included in the rent and WiFi. There is a small dog and two cats in the home. There is one other roommate plus myself that is the owner. We are looking for someone that has a job and that can pick up after themselves. Sorry but no couples or kids. Hope to here from.
