

1984 Honda Nighthawk cb700s (and motorcycle trailer)

I've owned the bike for eight years and kept regular good care of it. It is a super fun bike to ride and looks good too. The reason I'm selling is I am moving and won't have space for it. Cosmetically it has a few nicks and scrapes; It is from 1984.

- New Oil and Oil Filter
- New Spark Plugs
- New Battery
- Tank cleaning
- Bleed brakes, replace brake fluid
- Installed centerstand

- Motorcycle trailer (Electric works, ready to go)
- 3 saddle bags and a tank bag

~~-Guardian Motorcycle cover. (a good one, not cheap one)~~
