Location

New Hampshire

<https://www.genclassifieds.com/x-626971-z>

Brand new Neuro Resource Group InterX 5002 Professional and InterX 1000 Personal Use Pain Management Devices. Units still have the plastic on them and have never been used. Includes all training materials, carrying case, compression wrap, etc. Asking \$5000 for everything shown. Included accessories are listed below.

Flexible Array Electrode 3 x 3 Array:

Designed specifically for those hard to reach areas, such as the shoulders or back. 10 minute treatment programs allow for unattended, hands-free treatment options; the Flexible Array can also be used on the legs and arms. Compatible with all models.

InterX 350 Soft Tissue Electrode:

Designed to use on muscles. The soft tissue electrode can be used as a massage tool and applications may include soft tissue manipulation techniques. Compatible with InterX 5002 and InterX Professional Sport only.

InterX 100 Circular Pen Electrode:

Designed for the specific stimulation of very small areas. Compatible with InterX 5002 and InterX

Professional Sport only
